

Thank you for supporting The Ocala Farm Ministry

We are a non-denominational ministry caring for those in need in the Thoroughbred Industry.

Your Tax-Deductible Contribution to the Ocala Farm Ministry offers a 'helping hand-not a hand out'. In these economical times horse farms are struggling to make ends meet... an impossible challenge.

The requests for help, food and basic human services for workers and their families greatly increased. Make no mistake, there is suffering for those already poor. The Farm Ministry is working fervently to try and meet requests for help.

Your support or donation is greatly appreciated.
